

**Elmhurst College**  
**Faculty Development Committee**  
invites you to begin the Spring Term with an  
*Excellence in Teaching* Event

---

---

**First Elmhurst College Symposium on the Brain**

**“The Mind-Brain Connection:  
Learning and Individual Differences”**

**Jerre Levy, Ph.D.**  
**Professor Emerita of Psychology**  
**The University of Chicago**

Tuesday, February 6, 2001  
7:00 p.m.  
Hammerschmidt Memorial Chapel

Dr. Levy is a cognitive neuroscientist and author of over one hundred research publications. Her research centers on the relations between human neurological organization and behavioral processes (cognition, attention, emotion, and motor behavior). A link to Dr. Levy's web page may be found on the EC *Faculty Development Committee* page at <http://www.elmhurst.edu:8000/~earls/fdc> .

*Jointly sponsored by the Elmhurst College Faculty Development Committee,  
a Mini-Grant from the Erikson Institute's Faculty Development Project on the Brain,  
the Elmhurst College Education Department, Student Chapter of ASCD ,  
Psi Chi Honors Society, Psychology Club, Union Board and  
Student Activity Fund.*
