

MBA OPTION

If you've already earned a qualifying master's degree from Elmhurst University, the MBA Option offers an efficient way to expand your expertise and add a valuable business credential with a second master's degree in Business Administration. This one-year, Masters of Business Administration program builds on your previous graduate studies with six core MBA courses in management, accounting, analytics, marketing, finance and competitive strategy. By combining your specialized graduate knowledge with a broader business perspective, you'll graduate with enhanced credentials, practical skills and a competitive advantage to pursue new opportunities and advance your career.

THE ELMHURST MBA ADVANTAGE

The Elmhurst **MBA Advantage** extends beyond earning your degree. You'll gain practical business knowledge, leadership skills and strategic perspectives you can apply throughout your career. With opportunities for continued learning and a strong professional network, the program provides resources and connections that support your growth long after graduation.

THE LIFELONG LEARNING ADVANTAGE

After graduating, you have the opportunity to audit one MBA class per calendar year for free to continue developing yourself as you move through your career. Free course offerings are based on availability.

THE PROFESSIONAL NETWORK ADVANTAGE

Expand your professional network through the community of Elmhurst MBA peers, faculty and alumni, who can support your career and connect you to opportunities around the world. Build lasting relationships within your cohort, gain valuable insights through the School of Graduate Studies Speaker Series, and stay connected with Elmhurst MBA students and alumni through our LinkedIn network.

The MBA is a logical compliment to several other Elmhurst University master's degrees

- Computer Information Technology
- Data Science and Analytics
- Industrial/Organizational Psychology
- Master's Entry in Nursing Practice
- Nursing (MSN)
- Project Management
- Public Health
- Supply Chain Management

Graduates of these programs may apply for admission to the MBA Option program, a one-year program leading to a Master of Business Administration (MBA).

The MBA Option program combines the core courses of the Elmhurst MBA with the specialized coursework completed in the student's first master's degree, in one of the areas listed above.

Graduates of eligible master's programs, who have not previously received an alumni benefit, will be eligible to receive an alumni tuition discount.

Course Sequence

You'll complete six courses for a total of 18 semester hours. Most courses are eight or 16 weeks in length. Courses typically meet one night per week.

MBA 500	Organizational Management
MBA 501	Financial and Managerial Accounting
MBA 502	Analytical Tools for Management Decisions
MBA 503	Marketing Management
MBA 504	Financial Management
MBA 505	Strategies for Creating a Competitive Advantage

Admission Requirements

- Completion of an eligible Elmhurst University master's program
- Courses in financial accounting, managerial accounting and business finance (Requirement for all three courses can be satisfied by taking MBA Prep 300, an eight-week online, asynchronous course. This course is offered several times per year.)
- Letter of recommendation from previous master's degree program director, MBA Statement of Purpose and an updated résumé
