

“This semester to me represented something similar to a garden. It was an escape from me. In America, people can make an influence on my personality and expect me to be a certain way. However, in a different country, I had the chance to realize who I really was and learn about myself from telling others who I am.”

- Jessica, Australia

Several other options include (but are not limited to):

- ISEP programs in most countries!
- IES Abroad in Austria, Spain, France, & Germany
- Arcadia in Australia, Ireland, Italy, United Kingdom, & Spain
