“During college it’s so easy to become wrapped up in school work, friends, and the everyday routine of life - but I’ve learned it’s so important to remember that the world is HUGE and you owe it to yourself to step outside your bubble and see what the world has to offer.”

## Bond University (Education Abroad Network)

There's the appeal of the sand, sun and nightlife, but when you study abroad on the Gold Coast, you'll realize that there is a lot more to this region than just the beach. The Gold Coast hinterland is home to two of Queensland's best national parks. Hike your way through lush rainforest to pristine mountain pools, then head to the beach to catch one of the best surf breaks on the coast at Burleigh heads before spending the evening clubbing in Surfer's Paradise. Oh – and this region is also home to Australia's huge theme parks!

- Location: Gold Coast, Australia
- Living Arrangements: Beachside apartments, off-campus apartments, on campus apartments
- Pre-semester trip to Fiji
- Mid-semester trips
