## American University of Sharjah (ISEP)

The American University of Sharjah in the Middle East serves a diverse student body from the region and around the world. Sharjah's culture, firmly rooted in Islamic traditions, embraces courtesy and hospitality, making it a welcoming place to live and study. Courses are taught in English and students have an opportunity to study architecture, business, engineering, humanities, Arabic and more.

- ◆ Location: Sharjah, United Arab Emirates

## Università degli Studi di Trieste (ISEP)

The Università degli Studi di Trieste is an ideal location for students interested in improving their Italian language skills. Courses are taught in Italian at a university that consists of 12 faculties, boasting a wide range of university courses. Students will quickly adjust to Italian culture in Trieste as they will be surrounded by the beautiful cityscape and historic sites throughout the city.

- Location: Trieste, Italy
- Living Arrangements: on-campus housing

## Ajou University (ISEP)

Ajou University is located in the central area of Suwon, the principal city of the Gyeonggi-do Province, approximately 20 miles from Seoul. The university and the surrounding communities offer a rich educational and recreational environment with the unique cultural and historic heritages of Suwon and easy access to the diversity of Seoul, the world's tenth largest city. The university provides a cozy academic and residential atmosphere with harmoniously arranged classrooms, laboratories, libraries, residence halls, and recreational and cultural facilities on the 125-acre main campus.

- Location: Suwon, South Korea
- Living Arrangements: on-campus housing
- Activities that are tours to historic sites, global companies, and dynamic cultural events
