BRAND COMPONENTS

Elmhurst College Institutional Logo

The institutional logo is the primary brand of the College. It should appear on all appropriate printed communications and electronic communications.

Presidential Seal

The seal is generally reserved for materials related to the Office of the President and official documents.

Bluejay Athletics Logo

The Bluejay logo may only be used to promote the Elmhurst College athletics department and by its licensed suppliers.

THE INSTITUTIONAL LOGO

Primary vertical logo

One-line horizontal logo

Two-line horizontal logo

Configurations

There are two configurations: vertical (two lines) and horizontal (one line). The vertical version should be used as the official College logo whenever possible.

Clear Space

To create maximum impact, the logo requires specific clear space around all sides. This clear space should be free of imagery, graphics, text, folds or any other element that may interfere with the clarity of the logo.

Sizing

The minimum reproduction size is 1" for the vertical version and 1.75" in length for the horizontal version.

Placement

Consistent placement of the logo helps strengthen the College's brand. The logo should be placed prominently on the front and/or back of print publications.

THE SHIELD MARK

The shield can be used separately as a design element. Contact the Office of Communications and Public Affairs if interested in displaying the shield separately from the full logo.

OFFICIAL COLORS

The colors shown on the right are the primary colors for Elmhurst College.

APPROVED COLOR USAGE

Approved color usage for the institutional logo allows for several options. The logo should always appear in one of the color configurations shown here, using the approved colors.

When the background color is dark, the reversed version should be used. If you need to place the logo over a photo, it must appear on a simple background or navy blue overlay that does not distract from the logo.

NOTE: The box shown represents a background and is not part of the official logo.

PROHIBITED USAGE

Do not add elements or combine with other graphics

Do not add effects

Do not distort or change the proportion/size of graphic components

Do not use a pixelated or low-resolution logo

Do not alter colors

Do not re-create a different graphic identity or message using a component of the logo

THE LOGO WITH SUB-BRANDING COMPONENTS

When branding, it is important to maintain a consistent look.

In some instances, an academic department or program may be represented with placement of its name in a specified body of type beneath the institutional logo as shown at right.

Contact the Office of Communications and Public Affairs if you are considering such sub-branding.

PRESIDENTIAL SEAL

The seal has four color variations: blue, black, gray and a white version on a black or navy background.

TYPEFACES

Gotham and Gotham Narrow are the official sans serif and Hoefler is the official serif typeface for the institution. Since these typefaces are professionally licensed, suitable substitute fonts are acceptable in some cases. Please use Helvetica and Times New Roman if the two official typefaces are not available.
