Registration and Payment

Deadline: May 1, 2019

Cost includes tuition, housing, meals, admission fees, and local transportation to and from co-curricular activities while on campus.

Additional costs include roundtrip airfare and transportation costs to and from the airport; and supplemental health insurance coverage (if student’s current health insurance does not cover medical expenses incurred in the United States).

NEXT STEPS
1. Apply today at elmhurst.edu/immersion
2. Upload an “unlisted” video of no more than two minutes in length to youtube.com sharing with us why you are interested in attending the Elmhurst College 2019 Collegiate Immersion Program, and what you are interested in doing while in the United States.
3. Submit a bank statement to certify finances of $4,100 USD or more to cover the cost of the summer program, declaration of finances form, and copy of passport page to Kimberly Davis at kimberly.davis@elmhurst.edu

QUESTIONS?
Contact Tim Ahlberg, Assistant Director of Admission, at ahlbergt@elmhurst.edu or +1 (630) 617-3309.

---

**INTRODUCTION TO MACROECONOMICS COURSE #: ECO 211**
Course Description: An introduction to national income theory, the creation and control of the money supply, fiscal and monetary policy, and international economics.

**INTRODUCTION TO GLOBAL BUSINESS COURSE #: BUS 271**
Course Description: Designed to provide a basic understanding of the various facets of international business. Starting with basic trade theories, it covers the mechanics of the foreign exchange market, international finance and accounting; marketing, cultural differences and management strategy under the international environment, organizational structure and practices of the multinational company, and international institutional arrangements.

**PREPARING AND TRANSITIONING FOR COLLEGE SUCCESS**
Preparing and Transitioning for College Success workshops show international students how to succeed at an American university. In the workshops, students will explore topics related to the admission process and academic programs, as well as receive career development tips and more.

Itinerary is subject to change.
