

2019-20 Household Verification Worksheet Federal Student Aid Programs

VI, V5

Your 2019-20 Free Application for Federal Student Aid (FAFSA) has been selected for a process called verification. Federal regulations require that before your Federal Student Aid may be processed, you need to confirm information you, your spouse (if married) and your parent(s) reported on your FAFSA. You (and one parent of a dependent student) must complete and sign this worksheet, and submit them to the Office of Student Financial Services at Elmhurst College. Federal regulations require that we complete verification before processing federal or state financial aid. All estimated financial aid awards are subject to revision or cancellation if the verification process results in necessary changes to the information provided on your FAFSA.
