

MAJOR EVALUATION FORM  
**GEOGRAPHIC INFORMATION SYSTEMS**

Name \_\_\_\_\_

eNumber \_\_\_\_\_

Transfer students must complete at least half of the course credits required for this major at Elmhurst College.  
Elmhurst College is in the process of converting from course credits to semester hours. Please note this will not change the relative value of each class, only the way it is transcribed. 1.0 course credit = 4 semester hours

**REQUIREMENTS: Eight and one half course credits**

| EC Course #                                       | EC Course Title   | Transfer Institution | Transfer Course # | Course Credit | Grade |
|---|---|----------------------|-------------------|---------------|-------|
| <b>Core Curriculum:</b>                           |   |                      |                   |               |       |
| GEO 207   | Fundamentals of GIS   |                      |                   |               |       |
| GEO 309   | Introduction to Spatial Analysis  |                      |                   |               |       |
| GEO 400   | Advanced Spatial Analysis   |                      |                   |               |       |
| GEO 468   | Internship [.50 course, P/F only]   |                      |                   |               |       |
| GEO 470   | Research Methods in Geography [.50 course]  |                      |                   |               |       |
| GEO 471   | Senior Research Capstone [.50 course]   |                      |                   |               |       |
| <b>TWO of the following courses:</b>              |   |                      |                   |               |       |
| GEO 411   | Urban Geography   |                      |                   |               |       |
| GEO 412   | Political Geography   |                      |                   |               |       |
| GEO 413   | Economic Geography  |                      |                   |               |       |
| <b>One of the following Quantitative courses:</b> |   |                      |                   |               |       |
| MTH 345<br><i>or</i><br>MTH 346                   | Elementary Statistics<br><i>or</i><br>Statistics for Scientists [prereq: MTH 151] |                      |                   |               |       |
| <b>Highly Recommended:</b>                        |   |                      |                   |               |       |
| ENG 303   | Writing in Professional Fields [prereq: ENG 201]                                  |                      |                   |               |       |
| URB 210   | Cities  |                      |                   |               |       |
| URB 291   | Suburbia: People, Problems & Policies   |                      |                   |               |       |

**Note:** Substitutions may be made for some of the above courses depending on student interests and/or course availability.
