For Mathematics Majors seeking Licensure, the courses listed below are also required.

Receipt of this form in no way indicates acceptance in the Education Program. Students may not enroll in any education courses (SEC) without first being admitted to the Education Program. Application to the Education Program requires a **minimum overall GPA of 2.75** from all institutions of higher learning. Students must also demonstrate basic academic proficiency in order to be admitted to the Department of Education. See the Department of Education for the ways currently available to do this. Please also see the **Application for Admission to a Teacher Education Program** on the College website for additional application information.

Mathematics majors must maintain a **major GPA of 2.50 or higher**. All courses taken to meet licensure requirements must be completed for a grade of C-(1.70) or higher. All educator preparation programs are subject to revisions required by changes from the Illinois State Board of Education.

ALL students must complete at least half of their Education courses, excluding SEC 200, 300, 450 and student teaching (SEC 455), at Elmhurst College and **must complete three full terms** [Fall/Spring] at Elmhurst College prior to student teaching.
