

Name _____

eNumber _____

An overall GPA of 2.80 and a GPA of 2.80 in the 5 natural science courses is required for admission to the Nursing program. One science course may be repeated to remove a W or letter grade with a point value less than 2.0. See catalog for details.

Transfer students must complete at least half of the course credits required for this major at Elmhurst College.

Elmhurst College is in the process of converting from course credits to semester hours. Please note this will not change the relative value of each class, only the way it is transcribed. 1.0 course credit = 4 semester hours

EC Course #	EC Course Title	Transfer Institution	Transfer Course #	Course Credit	Grade
PREREQUISITE Courses					
BIO 107	Human Anatomy and Physiology I				
BIO 108	Human Anatomy and Physiology II
