MAJOR EVALUATION FORM  
**SECONDARY EDUCATION**  
*Optional **SECOND** major for students admitted to a licensure program – all coursework listed is required.*

**Name** \_\_\_\_\_

**eNumber** \_\_\_\_\_

**This major is only open to students who have already been admitted to the licensure program.** Application to the Education Program requires a **minimum overall GPA of 2.75** from all institutions of higher learning. Students must also demonstrate basic academic proficiency in order to be admitted to the Department of Education. See the Department of Education for the ways currently available to do this. Please also see the **Application for Admission to a Teacher Education Program** on the College website for additional application information.

**ALL students must complete at least half of their Education courses at EC**, excluding SEC 200, 300, 450 and student teaching, and **must complete three full terms** [Fall/Spring] at EC prior to student teaching.

The Secondary Education major requires 8.5 course credits (34 semester hours) of coursework, including 1.5 credits of teaching at the secondary level. Because this program is only open to students who are already admitted to licensure programs, the prerequisite courses are not listed on this form, with the exception of EDU 104.

Elmhurst College is in the process of converting from course credits to semester hours. Please note this will not change the relative value of each class, only the way it is transcribed. 1.0 course credit = 4 semester hours
