Transfer students must complete at least half of the course credits required for this major at Elmhurst College.

Highly recommended that students take a variety of courses, representing literature, linguistics and culture courses, from both sides of the Atlantic (Spain and Latin America).

Students who have not had a college-level Spanish course must take the Spanish placement test and enroll for the level indicated by the placement test, unless they have the written permission of the department chair.

Elmhurst College is in the process of converting from course credits to semester hours. Please note this will not change the relative value of each class, only the way it is transcribed. 1.0 course credit = 4 semester hours
