Test dates for Fall 2019:

- Saturday, November 23 from 9 am -12p
- Monday, December 2 from 5 p -8p
- Thursday, December 5 from 5 p-8p

All testing done in Daniels Hall. Meet at the 2nd floor lobby

Plenty of room each testing day

Testing must be completed prior to the application due date (January 3, 2020 by 3 pm CST) to be considered for admission.

Students who have not completed A & P should wait until spring to take the test (and will be put on a waitlist until the test is completed).

Students who started at Elmhurst as freshmen do not need to turn in an application but must take the A2 test.

Students who did not start at Elmhurst as a freshmen will also be required to complete an onsite writing sample in response to a prompt. Writing samples must be completed using the onsite computer provided for testing.

Sign up for the exam by following this link.

The exam consists of 3 sections as noted below (The A2 test has more exams but Elmhurst only tests on the following three).

**Reading Comprehension**
Provides reading scenarios in order to measure reading comprehension, identifying the main idea, finding meaning of words in context, passage comprehension, making logical inferences, etc.
55 items

**Basic Math Skills**
Focuses on math skills needed for health care fields, including basic addition, subtraction, multiplication, fractions, decimals, ratio and proportion, household measures, general math facts, etc.
Anatomy & Physiology
Provides coverage of general terminology and anatomical structures and systems.  

A review book is not necessary but students may purchase the following publication if interested.
