Elmhurst College

Dear Student:

Here are a few frequently asked questions regarding your immunization records:

Where can I obtain a copy of my immunization records?

- Contact your former High School and have them e-mail or fax us a copy.
- Contact your former 4-year College / University and have them e-mail or fax us a copy. **(Note: 2-year Colleges do not require this record)**
- Contact your Primary Care Physician and have them e-mail or fax us a copy.

LIST OF REQUIRED IMMUNIZATIONS
T-dap —current within the last 10 years.
MMR (Measles, Mumps, Rubella) 2 doses required after 1 year of age
Meningitis Vaccine — last dose must have been received at age 16 or older — **Not necessary for students 22 years and older.**

Records can be sent to Wellness Center via:

1) E-mail at: studenthealth@elmhurst.edu
2) Fax: (630) 617-3255
3) Drop off at the Wellness Center at lower level Niebuhr Hall Room 010
   Tel # (630) 617-3565

Medical / Immunization History Form can be downloaded by following the directions below:

Home Address	City/State/Zip	Country	Gender	Student Cell Phone
Semester and year of first enrollment: ☐ Fall (year) _____ ☐ Spring (year) _____ ☐ Summer (year) _____			Email	

IMMUNIZATION RECORD:

A physical exam is not required. It is an Illinois State Law for all students attending a four-year college and born after 1956 to obtain certain immunizations. You may have your primary care provider, former high-school, or previous college fax your records to the Student Health Service. If you are unable to obtain your immunization dates, you will need to be revaccinated or have an immunity profile (blood test) done to confirm your immunity. Vaccines, TB skin tests, and immunity profiles are available in the Student Health Services for a fee. **All forms must be submitted no later than June 1 for Fall and December 1 for Spring. Students with incomplete immunization records will be put on a "medical hold" and will be unable to register for classes in their second semester.**

REQUIRED IMMUNIZATIONS *(Dates Required)*

MMR (measles, mumps, rubella)	2 doses of MMR vaccine administered on or after 12 months of age ***OR*** positive serum titers to all three diseases (attach lab report)	1. _____ mm/dd/yy	2. _____ mm/dd/yy
