| course [MTH 110 or higher; NOT   | requirement.                                                   
| MTH 325 or 326] or AP Credit.    |                                                                 |

Students intending to transfer to Elmhurst University should also enroll in courses that will complete requirements of the Elmhurst University Integrated Curriculum (IC.) Such courses can be found on the Elmhurst University website (https://www.elmhurst.edu/admission/transfer-adult-students/) under “Transfer guides” or through “Transferology.” Students should have no more than two IC courses remaining for admission to the Department of Education as a junior.

*Admission to Elmhurst University is not admission to a teacher education program. There is a separate application process.*

Application materials for the Department of Education can be found on the Elmhurst University website at (https://www.elmhurst.edu/academics/departments/education/admission-requirements/secondary-education/).
