## 2021 - 2022 DINING PLANS

### Bluejay Plan \$3,008

Includes: \$2,628 Bluejay Bucks

### Basic Plan \$2,272

Includes: \$1,972 Bluejay Bucks

### EC Light Plan \$1,718

Includes: \$1,420 Bluejay Bucks

### J-Term Plan \$579

Includes: \$514 Bluejay Bucks

### J-Term Light Plan \$334

Includes: \$272 Bluejay Bucks

## BLUEJAY BUCKS

### Bluejay Bucks

Bluejay Bucks are designed to give you access to all meals or snacks at our campus dining locations. Unused Bluejay Bucks carry over from Fall to Spring term only. Unused BlueJay Bucks from the J-term will not roll over. Unused balances at the end of Spring term will be forfeited.

Residents will select Dining Plans through My Housing during the housing enrollment process.

To add first-time or additional Bluejay Bucks to your Jaypass, or to check your balance, go to the College portal homepage at <https://elmhurst.teamdynamix.com/TDClient/1779/Portal/Home/> and click on the "Touchnet - Jaypass Funds" button or visit the Office of Student Financial Services located in Goebel Hall.

View campus dining locations, location hours and menus online at [www.dineoncampus.com/elmhurst](http://www.dineoncampus.com/elmhurst)

# HOW TO

# pay your bill

**Congratulations!** You've registered for your first semester at Elmhurst University, now you need to pay your tuition bill...

## ACCESSING TOUCHNET

**LOG IN** to the Campus Portal at [my.elmhurst.edu](http://my.elmhurst.edu) and click on TouchNet: Deposits and Payments. Log in to TouchNet with your eNumber + password.

## VIEW YOUR ACCOUNT ACTIVITY

Click on *View Activity* to access your most up-to-date account activity - tuition, fees, room & board, and financial aid are listed here.

## ENROLL IN A PAYMENT PLAN

Click on the *Payment Plans* tab to enroll in a 5-month payment plan. Payments are due on the 15th of each month with a payment plan.

## MAKE A PAYMENT

Click *Make Payment* to make a payment with a credit card or e-check. Payments can also be made in Goebel Hall with cash or check.

## SET UP AN AUTHORIZED USER

Click on *Authorized Users* to add a parent/guardian as an authorized user who will receive email notifications regarding your student account.

### WHEN IS TUITION DUE?

Tuition bills must be paid in full by **January 15** if you are not enrolled in a monthly payment plan. The deadline to enroll in a payment plan is **January 14**.

LEARNING CENTER

**VISIT US**  
A.C. Buehler Library  
Monday through Thursday  
9:00 a.m. – 6:00 p.m.  
Friday 9:00 a.m. – 4:00 p.m.

# The Learning Center

## A PLACE FOR SUCCESSFUL STUDENTS

We can work with you to understand your assignment, get organized, explore your options and use metacognitive, or self-reflective, strategies to grow and learn. It is never too early to come work with a tutor!

We have tutors in various disciplines, including writing and math, who can meet with you at any step in your learning process.

## WHAT WE OFFER

- Peer tutoring
- Embedded tutoring
- “After Hours” tutoring in the residence halls
- Workshops
- Academic coaching

## ACADEMIC COACHING TOPICS

- Learning strategies
- Study strategies
- Time management
- Organization techniques

*Our goal is to help you develop personal habits of mind and individualized practices to enable you to be successful now and in the future.*

🖱️ [elmhurst.edu/LC](http://elmhurst.edu/LC)  
📌 [learningcenter.ec](https://www.facebook.com/learningcenter.ec)

## Why Peer Tutoring?

### HERE'S WHAT OUR STUDENTS SAY

“

I really enjoyed my session because I learned a lot and was given many useful tools.

”

“

My session went well. I would suggest that you ask specific questions so your tutor can know exactly what you need help with.

”

“

Annie really helped me figure out what I was doing wrong. We worked together and figured out the solution to my problem. She was amazing!

”

“

Courtney was phenomenal! I will be a regular with her. I loved how she broke everything down and how she asked questions. Asking questions made me grasp the concepts more.

”

# Access & Disability Services

## THE SUPPORT YOU NEED TO SUCCEED

Elmhurst University is committed to providing opportunities for students with disabilities in an inclusive, welcoming environment. The University complies with federal guidelines mandated by the Americans with Disabilities Act of 1990, the ADA Amendments Act of 2008 and Section 504 of the Rehabilitation Act of 1973. The law protects the civil rights of individuals with disabilities who are qualified to participate.

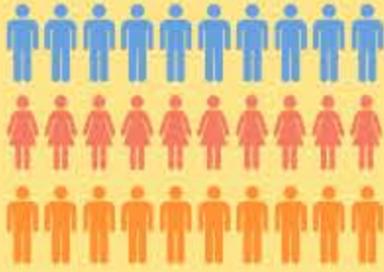

Our Office of Access and Disability Services (ADS) provides accessible programs and reasonable accommodations for students with a range of disabilities. Our inclusive approach includes innovative educational programs, cross-campus collaboration and self-regulated learning.

## COMMON ACCOMMODATIONS

- Extended testing time
- Alternate testing location
- Audio recording of class lectures

*Operating under the principle of Universal Design Learning, the Office of ADS is dedicated to helping you access the support you need to be academically successful while developing strategies and habits that will allow you to be successful beyond your academic career.*

## OUR STAFF

Our staff consists of licensed clinical psychologists and a master's-level therapist who have experience in college mental health. We also have a psychiatric nurse practitioner who provides psychiatric consultation. Our staff are committed to providing the highest quality of care.

## EMERGENCY INFORMATION

If a student is an imminent threat to self or to others, contact Public Safety at (630) 617-3000 immediately. A 24-hour crisis hotline also is available through the DuPage Department of Human Services at (630) 627-1700.

## COUNSELING HOURS

Available Monday through Friday by appointment

University**

The Wellness Center

Niebuhr Hall, Room 010  
Lower Level, East Entrance

Office: (630) 617-3565

Fax: (630) 617-3255

[elmhurst.edu/wellness](http://elmhurst.edu/wellness)

**COUNSELING  
SERVICES**

## SERVICES

Counseling Services provides a variety of services to help students understand their problems and themselves, achieve more satisfying relationships, improve their academic performance and make more effective life and career choices.

### Individual, Couples and Group Counseling

Individuals and couples can work one-on-one with a counselor or in a group to explore their concerns and work toward a better understanding and resolution of their difficulties. Counseling Services offers a number of general and specific issue groups. There is a 30-session limit for individual and couples counseling, with a 15-session limit per year, but there are no session limits for groups.

**Confidentiality:** We adhere to state law and the ethics of our profession, which means confidentiality is of the utmost importance.

## PSYCHIATRIC SERVICES

Psychiatric services are available to students who have been referred by a Wellness Center staff member.

## PSYCHO-EDUCATIONAL WORKSHOPS

Counseling Services offers a Workshop-on-Request Program. We'll come to your class, residence hall, group or team to present workshops on a variety of topics.

### Some possible topics include

- Assertiveness
- Stress Management & Relaxation
- Eating Disorders
- Body Image
- Depression and Suicide
- Coping with Anxiety
- Alcohol Use
- Healthy Relationships
- Communication Skills
- Domestic Violence
- Dealing with Divorce
- Mindfulness
- Anger Management
- Perfectionism

If you are interested in scheduling a workshop, please contact Counseling Services at (630) 617-3565 at least two weeks prior to the workshop to make arrangements. We ask that you have a minimum of 10 attendees at the workshop.

## SERENITY ROOM

The Wellness Center provides a room (NH 001) designed for relaxation and stress relief. The room is equipped with a light box, relaxation and meditation CDs and a variety of other resources to promote self-care.

## SELF-HELP LIBRARY

The Self-Help Library offers resources on a variety of topics related to personal, social and health issues, as well as academic skills. We also offer screenings for depression, anxiety, eating disorders, and alcohol use.

## REFERRALS FOR PRIVATE THERAPY

If problems exceed the scope of our counseling focus, resources are not available within the University, or the session limit has been met, we will help students obtain private therapy outside of Counseling Services. An extensive referral binder is located at the Wellness Center to meet the diverse needs of the campus community.

## OUR STAFF

Student Health Services is staffed by board certified nurse practitioners and a board certified physician. Whether you need a quick check-up or ongoing medical support, we're here to help.

## EMERGENCY INFORMATION

In case of police, fire or medical emergency, call 911 or Public Safety at: (630) 617-3000

## AFTER HOURS

**STUDENT  
HEALTH  
SERVICES**

*Student Health Services  
is committed to providing  
high quality care that  
supports students,  
physical, mental and  
spiritual wellness*

## ELIGIBILITY

All currently enrolled Elmhurst University students are welcome to use our services.

## STUDENT HEALTH SERVICE HOURS

Appointments are scheduled Monday-Friday, 8:00 am-4:00 pm. Please call (630) 617-3565 to make an appointment.

## FEES AND PAYMENT OPTIONS

Health Services visits are free of charge. Medications, vaccines, physicals and lab work are provided at the lowest possible cost to students. Payment can be made by check, credit/debit card, or charged to the student account. While we do not accept insurance, we can provide receipts that students are able to submit to their insurance companies.

**Confidentiality:** We adhere to state law and the ethics of our profession, which means confidentiality is of the utmost importance.

## SERVICES

- Acute Illness Evaluation and Treatment
- Women's/Men's Health Services
- Physical Exams
- Allergy Injections (must be on maintenance)
- Immunizations (routine and travel)
- Lab Work
- Free Testing: sexually transmitted, infections, strep throat, and pregnancy
- Medications including antibiotics, oral contraceptives and other prescription medication (for a small charge)
- Health Education and Wellness Promotion
- Referrals to Specialists
- Loan Items: crutches, wheelchairs, SAD lights, pulse oximeters (free as long as returned)
- Self-Care Center (free)

## SERENITY ROOM

The Wellness Center provides a room designed for relaxation and stress relief. The room is equipped with a light box, a biofeedback program, relaxation CDs and a variety of other resources to promote self-care.

Note: We hope to make the room available after the COVID-19 pandemic.

## MEDICAL HISTORY/ IMMUNIZATION REQUIREMENTS

All students are required to submit a medical history/immunization record. Students may obtain a copy of their immunization history from a primary care provider, former high school or previous 4-year college. A physical exam is not required.

Complete the form online at:  
[www.elmhurst.edu/immunization](http://www.elmhurst.edu/immunization)

Once completed, please print and email, mail, or fax back to the Wellness Center. Students who can't find immunization records can have a blood test to confirm immunity. Vaccines, TB skin test, and blood test are available in the Wellness Center for a fee.

# OFFICE OF STUDENT INVOLVEMENT

Get involved on campus!

## VIOLATIONS AND FEES

A person will be responsible for violations issued to any vehicle(s) registered in their name. Violations of the University's parking regulations are subject to a fine.

**Students:** Fines are payable at the Office of Student Financial Services in Goebel Hall. Fines that are not immediately paid will be added to a student's account. Please note that until the account is paid in full, grades and transcripts will be withheld, and one may not register for the next term or graduate.

**Faculty, Staff and Visitors:** Fines are payable at the Office of Student Financial Services in Goebel Hall. Questions about citations may be directed to the Department of Public Safety, Lehmann Hall, Lower Level x3000.

Anyone wishing to appeal a citation may do so by filling out the back of the ticket and returning it to Public Safety. The appeal must be received, in writing, within 5 days of the date on the citation.

## REGISTRATION OF VEHICLES

All employees and students currently enrolled must register their vehicle with Public Safety.

A registered vehicle must display an Elmhurst University parking sticker on the lower, driver's side corner of the front windshield. Stickers are renewed every year for students and employees.

The parking stickers do not have permanent adhesive and can be transferred to multiple vehicles. Only one vehicle is permitted on campus at any one time and failure to place the sticker on the registered car, or failing to register a car will result in a parking fine.

Anyone bringing a temporary or rental vehicle to campus must obtain a temporary parking permit.

If your vehicle is in an accident or replaced, you must remove the sticker from the old car and register the new car under that sticker. If your sticker rips, bring it into the Public Safety office and we will replace it.

## VEHICLE ASSISTANCE

Elmhurst University offers some assistance in the event that your vehicle battery is dead or you lock your keys in your car. You may borrow a battery jumper pack from Public Safety. If you lock your keys in your car, a Public Safety Officer will be dispatched to assist you. Please note that Public Safety may only offer these services to vehicles on University property and officers may not be immediately available to assist you. This assistance is provided at the vehicle owner's/driver's risk, as the possibility exists that jump-starting a battery or performing an emergency vehicle opening may cause damage to your vehicle. Elmhurst University assumes no liability for this damage, and assistance is provided at the requestor's risk when appropriately skilled personnel are available.

## STICKER FEES

**Resident students** will need to obtain a sticker for the school year, and will be charged per term. Costs for this fee is billed to the student's account.

**Elm Park/Prospect Apartment Residents** must obtain a residential parking sticker and may park in your assigned parking space. The permit must be displayed at all times. You may only park in your assigned space. If it is occupied, park in the overnight lots (Dinkmeyer Hall, West Hall and Alexander Lot) between 2 a.m.-6 a.m. You must get a new hang tag each semester.

**Residents living in campus owned houses** must obtain a residential parking sticker to park in the driveway. You will be held accountable for guests who illegally park.

**Commuter students, with the exception of graduate students and those in accelerated programs,** will need to obtain a sticker for one year and be billed per term.

There is no fee for **Elmhurst University employees.**

## LOT CLOSING

The University may need to temporarily close a parking lot for a special event, snow removal, or a necessary repair. Lot closings will generally be posted 24 hours in advance. If a driver fails to move a vehicle after signs have been posted, the vehicle will be ticketed and issued a fine, and may be relocated or towed at the registered owner's expense. Public Safety will attempt to notify the owner before towing a vehicle, but it is the owner's responsibility to move the vehicle in accordance with the posted deadline.

If you must move to a parking lot that you have not been authorized to park in, or if you are unsure of where to move your car, call Public Safety at (630) 617-3000 and we can assist you in finding a lot or come by the Public Safety Office to obtain a temporary permit.

## SHUTTLE INFORMATION

The Bluejay Shuttle is available for students to visit local shops.

Stops include Target, Walmart, Whole Foods, Kohl's, Downtown Elmhurst, Oakbrook Center and CVS.

It runs on a regular schedule that can be viewed on the Public Safety web page under parking and transportation or at: [elmhurst.edu/bluejayshuttle](http://elmhurst.edu/bluejayshuttle)

You can also download the BusWhere app or use this QR code:

---

## POLICY

Parking in University-owned or leased lots is provided primarily for employees on University business and currently enrolled students. First-year resident students are not permitted to register a vehicle or park in any Elmhurst University owned or leased parking lots. Written requests for an exception to this policy may be directed to Public Safety, and must demonstrate a significant and continuing hardship caused by the policy. All visitors must park in designated visitor parking spots. Any visitor parking elsewhere on campus or overnight must obtain a temporary parking permit from Public Safety.

No lot is reserved for any specific campus constituency. Faculty, students, and staff may park in any campus lot or University leased lot. The University leases two remote parking areas at local churches approximately one block east of campus. Designated spaces in these lots are available to vehicles displaying the University's parking sticker during the hours of 6 a.m.-6 p.m.

Storage of vehicles on campus while the driver is not present on campus or away on campus-related business is prohibited. Overnight parking is restricted to vehicles bearing a resident parking permit, unless arrangements have been made in advance with Public Safety.

*For full policies, regulations, maps, and other resources visit: [elmhurst.edu/safety](http://elmhurst.edu/safety) or reference the Student Handbook.*

## Required Online Training Courses for New Students at Elmhurst University

Welcome New Bluejay!

Elmhurst University's mission is to inspire intellectual and personal growth in our students, preparing them for meaningful and ethical contributions to a diverse, global society. To help get you started on this journey, the University takes pride in educating students about maintaining a safe and welcoming campus for all students. Beyond this, the State of Illinois requires that students at colleges and universities in the state undergo training on specific topics like sexual misconduct prevention.

To introduce you to our community expectations, we require all new Elmhurst University students to complete our online training program run by EVERFI. Soon after you begin the term, you will receive information from EVERFI via your Elmhurst University email address regarding how to access your required training courses and their deadlines for completion.

The courses you will need to complete and their approximate length of time for completion are the following: *AlcoholEdu for College* (60-90 minutes); *Prescription Drug Abuse Prevention* (30-40 minutes); *Sexual Assault Prevention for Undergraduates* (60 minutes) OR *Sexual Assault Prevention for Student Athletes* (60 minutes); and *Diversity, Inclusion & Belonging for Students* (45 minutes). We hope that by completing these courses, you will become more familiar with our expectations and hopes for you as a new Bluejay.

If you have questions, please contact me using the information provided below. I appreciate your cooperation and look forward to seeing you on campus soon!

Sincerely,

A handwritten signature in cursive script that reads "Jennifer K. Duffield".

Jennifer K. Duffield, M.A. (she/her/hers)  
Assistant Dean of Students & Title IX Coordinator  
Elmhurst University

## Russell G. Weigand Center for Professional Excellence

# Career Education

### Launch Your Professional Journey

The Weigand Center for Professional Excellence (WCPE) supports students and alumni as they identify their strengths, explore career possibilities and prepare for the job search. It's never too early or too late to begin your career journey.

#### **CAREER EXPLORATION**

Individualized assessments are available for students to explore their interests, values, personality and workplace preferences, and connect them to potential careers that correlate best with them. Resources are connected to give them detailed information about those careers and what they entail as well as their outlook for growth in the future and more.

#### **JOB SHADOWING AND INFORMATIONAL INTERVIEWS**

Shadowing gives students the opportunity to learn about a career that interests them by accompanying a professional through a typical workday. Students can observe the professional making decisions, engaging colleagues and pursuing professional goals. In some cases, the experience may involve an informational interview on campus, virtually or at the workplace, where students can ask questions about the career and gain insight into whether it is the right fit for their career path.

#### **MENTORING PROGRAM**

Gold accredited through the International Mentoring Association for best practices in mentoring, the WCPE mentoring program involves a one-on-one relationship between a student (protégé) and a professional (mentor)

who can provide ongoing career guidance, advice, development and encouragement. Students and mentors agree on a timetable and method of meeting that works for them either virtually or in person.

#### **CAREER COURSES**

Career Courses that are geared toward first- and second-year students provide a foundation for their professional development and exploration. Third- and fourth-year students have another course that focuses on professional preparation utilizing the NACE competencies that employers look for and readies students for a successful launch into their career.

#### **RESUME REVIEW AND WORKSHOPS**

Whether you are looking to craft an effective resume, hone your networking and LinkedIn presence or enhance your interviewing skills, the WCPE is available to assist you in finding your purpose and passion and helping you plan for the successful launch of your career.

#### **CAREER ADVISING**

Current students and alumni can receive individualized career advising regardless of their level of work experience or if they are looking for guidance in career transition, interviews and more.

# BELONG

Your Elmhurst Journey Starts Here.

Students choose Elmhurst University for hundreds of reasons, from our welcoming community to our distinguished faculty and exceptional academics.

## TOP UNIVERSITY

Elmhurst ranks among the best colleges and universities in the Midwest, according to *U.S. News & World Report* and *Forbes* magazine. The University also ranks among the top schools in Illinois in *Money* magazine's nationwide list of Best Colleges for Your Money.

## YOU'LL GET AN EXCEPTIONAL EDUCATION.

No matter which of our 60 majors you choose, you'll learn from faculty who are scholars and experts in their fields. Classes are small here, so your professors will get to know you, take an active interest in your future, and help you find your own professional path.

## YOU'LL LOVE OUR LOCATION.

Our gorgeous campus is a green oasis in the heart of a quiet suburb—but it's also just a few blocks from the Elmhurst Metra station, where you can catch the train for a 30-minute ride to downtown Chicago. That means easy access to tons of fun and endless professional opportunities.

## YOU'LL GET A HEAD START ON YOUR CAREER.

At Elmhurst, you'll gain real-world experience starting your first year. Internships, professional mentors and shadowing experiences will help you define your future and give you the skills to reach your full potential. Employers love Elmhurst graduates, because they're ready to make valuable contributions from the first day on the job.

# 93%

Percentage of Elmhurst University graduates are employed or in graduate school within a year of graduating.

# HEALTH PROFESSIONS

Health care careers account for many of the nation’s fastest-growing jobs, according to the Bureau of Labor Statistics. And at Elmhurst University, we’ll help you prepare to reach your full potential in any area of the field—from dentistry to veterinary medicine and from nursing to exercise science.

## Get Expert Advising

Health Professions Advising in the Weigand Center for Professional Excellence at Elmhurst University is devoted exclusively to preparing students for careers in health care. Our advisors will help you with finding clinical experiences and other career opportunities, and prepare you for professional school applications and job interviews.

- A community project focusing on smoking prevention and cessation
- A study of the risk factors associated with speech-language and hearing disorders in children
- A comparative analysis of split-brain syndrome
- An investigation of the viability of salmonella cells in the environment

## Conduct Cutting-Edge Research

Collaborate with faculty on research, present your findings at professional conferences, and share billing with them on published papers. Recent student projects have included:

- A study of the epidemiology of West Nile virus

## Experience the World of Health Care

At Elmhurst, you’ll see health care in action at some of the nation’s leading hospitals, laboratories and organizations. You might organize a blood drive or offer health screenings at a homeless shelter. You might observe open-heart surgery or participate in a semester-long clinical experience. It’s a great way to learn more about a career of interest.

## Selected Programs in Health Care

- Chiropractic Medicine
- Dentistry
- Diagnostic Medical Sonography
- Exercise Science
- Medical Humanities (Minor)
- Medical Laboratory Science
- Medicine
- Nuclear Medicine Technology
- Nursing
- Occupational Therapy
- Optometry
- Pharmacy
- Physical Therapy
- Physician Assistant
- Podiatry
- Radiation Therapy
- Respiratory Care
- Speech-Language Pathology (Communication Sciences and Disorders)
- Veterinary Medicine

## Sampling of Professional School Acceptances

- Case Western Reserve University
- Duke University
- Elmhurst University
- Illinois College of Optometry
- Loyola University Chicago
- Marquette University
- Midwestern University
- Northwestern University
- Rosalind Franklin University
- Rush University
- Southern Illinois University
- University of Florida
- University of Illinois, Chicago
- University of Illinois, Urbana-Champaign
- University of Iowa
- University of Southern California
- University of Wisconsin, Madison
- Washington University in St. Louis

The combination of small class sizes, a diversified campus, and passionate faculty members allowed me to receive a personalized education of the highest quality—an education that I believe has contributed greatly to my success in PA school.

Melinda Vickers '17

## Explore the Ethics of Health Care

Our medical humanities minor is an ideal complement to the natural science courses required for most health professions programs and an excellent way to distinguish yourself from other applicants to professional health care programs. Designed to help you develop the skills you'll need for humanistic health care delivery, the minor focuses on ethical considerations in the clinician-patient relationship, effective communication skills, integrity, compassion, respect, empathy and service.

Students who complete the medical humanities minor go on to careers in medicine, physician assistant studies, occupational therapy, veterinary medicine, health care administration and more.

## Gain a Competitive Edge

Elmhurst has academic affiliations that allow students to apply for early admission to professional health care programs, giving them a competitive edge. Our students gain admission to graduate and professional programs at impressive rates, and nearly all of our graduates in professional programs like nursing are employed within a year of graduation. At Elmhurst, you'll develop the confidence to lead, the communication skills vital to work in a team, and the ethical perspectives to thrive in diverse settings. You'll be prepared for all the unpredictable challenges of a changing world.

# THE E-CELERATOR

at Elmhurst University

Want to start your own business? Have an idea for an app? Want to be your own boss? At Elmhurst University, the E-celerator initiative provides students with the necessary knowledge, resources and mentorship to make real their entrepreneurial dreams.

## Entrepreneurship

Learning entrepreneurship is very different from learning anything else. The E-celerator initiative uses an applied entrepreneurial approach to help students identify their strengths and talents and how to work on improving them. Through one-on-one coaching with our Entrepreneur in Residence (EIR) and distinctive programming like pitch competitions and the Innovation DuPage incubator partnership, the sky is the limit for your growth. You will learn how to think critically and analyze all the vital components involved with starting your own company.

## Entrepreneur in Residence

Discover what it takes to develop your entrepreneurial idea and take it to the next level by meeting with our EIR. Through in-person

or virtual meetings, the EIR provides professional guidance and mentoring that will help you expand your knowledge and navigate your next steps. The EIR also creates connections with individuals who own their businesses to offer further real-world perspective.

## Entrepreneur Speaker Series

Be a partner to inspiration with unique innovating entrepreneurs and presenters. The E-celerator welcomes these go-getters who inspire us to break through our boundaries and to help think out-of-the-box through firsthand experiences and lessons learned on their way to success. The monthly speaker forums provide encouragement for all majors and backgrounds, and always offer time for firsthand one-on-one answers to your unique questions.

## What We Offer

- Entrepreneur in Residence
- Virtual or in-person coaching
- Speaker series (virtual and in-person)
- Networking events
- Skills assessment
- Pitch competitions
- Real-life experience
- Student entrepreneurship group with social outings, events, and conferences

## Partnerships

- PNC Bank
- Innovation DuPage

Open to  
**All  
Majors**

“

The program has allowed me to exceed what I thought were my limits in an entrepreneurial focus. It provided me the ability to interact with a growing new company off-campus who took a product and a service nationwide in just four months. It has given me the avenue to show what I can achieve with an entrepreneurial spirit!

Alexander Ralph

# PRE-LAW

Is law school in your future? At Elmhurst, you'll gain the intellectual skills that law schools prize. And our pre-law advising program will help you navigate the admission process—and get in to the school of your dreams.

## A Flexible Curriculum

Elmhurst's pre-law program offers the flexibility to choose the majors and minors that interest you most. Law schools don't require any particular major; instead, they look for students who reason clearly, communicate effectively, and understand different perspectives—exactly the skills you'll develop through Elmhurst's liberal arts curriculum.

## A Personal Approach

Elmhurst pre-law students meet regularly with a dedicated pre-law advisor, beginning as early as the first year of university. Your advisor will guide you through the entire process of applying to law school, including LSAT prep, requesting recommendation letters and writing personal statements. It's all about helping you stay on the path to law school.

## Real-World Experience

We'll connect you with internships, mentors and shadowing experiences that fit your interests. Elmhurst students preparing for the legal field have worked in law offices, legal clinics, community organizations, state legislatures, and even in the halls of the U.S. Capitol.

## Career Planning

If your goal is to work in the field of law, but law school doesn't feel like the right fit, the pre-law advisor will help you explore your career options and guide you on the path to your chosen position. Whether you want to be a paralegal, court administrator, or mediator, you will have all the tools you need to make it happen.

## Law-Related Courses

- Introduction to Law
- Constitutional Law I & II
- Criminal Law
- Logic
- Mock Trial
- Philosophy of Law
- Business Law

## Experiences

- LSAT Workshops
- Law School Application Workshops
- Court Tours and Trial Observation
- Attorney Guest Speakers
- Pre-Law Club

## Law School Placements

- University of Chicago
- Georgetown University
- Emory University
- University of Illinois at Urbana-Champaign
- Pennsylvania State
- Case Western Reserve
- IIT Chicago-Kent
- Loyola University Chicago
- DePaul University

## Mock Trial

Learn firsthand about the American legal system. In this course, you'll work on a nationally assigned case, developing prosecution and defense positions. You'll compete regionally and nationally, arguing your case in front of working attorneys and judges.

“

The pre-law program at Elmhurst gives you access to opportunities like Mock Trial, LSAT preparation, and speakers with a background in law. It's been very helpful in developing my skills and learning about law school.

## Russell G. Weigand Center for **PROFESSIONAL EXCELLENCE**

### START PLANNING A GREAT FUTURE

Ready for your launch to a dynamic career? The Weigand Center at Elmhurst will help you explore your passions, define your goals, ignite your professional curiosity—and prepare you to thrive in an ever-changing world.

#### Explore Careers and Define Your Strengths

Career preparation starts early at Elmhurst. As soon as your first year, we'll help you identify your interests, choose a major, set career goals and prepare for an effective job search. Our job shadowing program gives you the chance to accompany a professional through a workday to explore whether a particular career is a good fit. Our mentoring program connects you with a professional for ongoing career guidance. Our Career Education staff will help you craft a strong résumé and prepare for successful interviews, and you can use our services after you graduate.

#### Experience a Career Firsthand

An internship provides hands-on experience and boosts your marketability. The Weigand

Center has an extensive network of industry professionals, so your internship options are wide and varied. Our students have worked at hundreds of sites, including Ernst & Young, Ravinia, Argonne National Laboratory, Chicago Fire Soccer Club and Walt Disney World. Many of our internships lead to full-time job offers after graduation.

#### Prepare for Law School or a Career in Health Care

Planning a career in health care or law? We'll support you every step of the way. Our specialized advisors will guide you through the process of applying to professional school and make sure you're meeting all the program requirements. For students interested in health careers, we offer several early admission programs as well as a minor in medical humanities to support your examination of ethical issues in health care.

#### What We Offer

- Career Guidance
- Internships
- Résumé Reviews
- Mentoring
- Health Professions Advising
- Pre-Law Advising
- Career Fairs
- Job Listings
- Interest Assessments
- Job Shadowing
- Graduate School Guidance
- Alumni Career Advising

#### Sample Internships

- Aldi Corp.
- Argonne National Laboratory
- Blistex
- BMO Harris Bank
- Brookfield Zoo
- Chicago Fire Soccer Club
- Chicago Symphony Orchestra
- CME Group
- Easter Seals
- Elmhurst Hospital
- Ernst & Young
- Jewel-Osco
- Magnificent Mile Association
- Make-A-Wish Foundation
- Morgan Stanley
- NAMI-Dupage
- NBC Chicago
- Porte Brown
- Ravinia
- Robert Bosch
- The Chicago Dogs
- Walt Disney World
- William Blair & Company

For my internship at CBS, I got to go to Cubs and White Sox events and interview managers, players, even owners. The internship has given me the professional experience and confidence I need to move forward as a sports journalist.
