

F-1 I-20 EXTENSION REQUEST FORM

Student Information

This section must be completed by the Student requesting an I-20 program extension.

This form is for F-1 students who need additional time beyond the program end date listed on their I-20 to complete their program of study. To be eligible for a program extension, students must be making normal progress toward completing a degree and are unable to complete their course of study by their expected I-20 program end date due to a compelling academic reason (including any previously approved Reduced Course Loads). Please note that I-20s cannot be artificially extended past the natural completion of a student's program of study.
