

HESI Admission Assessment (A2) Exam Information for

Elmhurst University Department of Nursing and Health Sciences

*Students must earn at least a **75% on each** section of the exam: Reading, Math and Anatomy & Physiology. (Exam sections are described at the end of this document.) Students are allowed only one attempt at the exam.*

Exam cost: \$53 (as of April 5, 2023—price subject to increase) payable the day of testing. Payment accepted as cash (please bring singles) or check payable to Elmhurst University.

Students who have not completed A & P should wait until spring to take the test (and will be put on a waitlist until the test is completed). Students may schedule a spring testing date with Professor Brennan (brennanl@elmhurst.edu)

Test dates for J-term 2024 :

- **Wednesday, Jan 3, 2024 9 am -12 pm**
- **Thursday, Jan 4, 2024 12 pm – 3 pm**
- **Monday, Jan 8, 2024 9 am – 12 pm**
- **Tuesday Jan 9, 2024 4 pm-7 pm**

Students should sign up for a testing date via [this google doc](#). There will be plenty of room on each testing date.

The exam consists of 3 sections as noted below (The A2 test has more exams but Elmhurst only tests on the following three).

Reading Comprehension

Provides reading scenarios in order to measure reading comprehension, identifying the main idea, finding meaning of words in context, passage comprehension, making logical inferences, etc.

55 items

Basic Math Skills

Focuses on math skills needed for health care fields, including basic addition, subtraction, multiplication, fractions, decimals, ratio and proportion, household measures, general math facts, etc.

55 items

Anatomy & Physiology

Provides coverage of general terminology and anatomical structures and systems.
30 items

A review book is not necessary but students may be purchase the following publication if interested.

You can order the book via this link at a discounted price.
