

Master of OCCUPATIONAL THERAPY

REACH FORWARD, REACH OTHERS

Learn to Lead in a Collaborative World

Join a community of researchers, scholars and teachers committed to educating clinical and academic leaders. Designed for students who are new to the field of OT, Elmhurst's program combines rigorous academic learning with fieldwork, service learning, practical experiences and collaborative research.

It's Not Just a Job

When you're an OT, you're giving people their lives back again, helping them achieve independence and satisfaction. Learn and apply evidence-based practices to help people build skills for the job of living.

Opportunities abound for clinical work in a variety of settings:

- Hospitals
- Day care facilities
- Nursing homes
- Schools and universities
- Community centers
- Private practice or residences

Accreditation

Elmhurst University's master's degree program in entry-level occupational therapy is accredited by the Accreditation Council for Occupational Therapy Education (ACOTE) of the American Occupational Therapy Association (AOTA) located at 6116 Executive Boulevard, Suite 200, North Bethesda, MD 20852-4929. ACOTE's telephone number c/o AOTA is (301) 652-AOTA and its web address is acoteonline.org. Graduates of the program will be eligible to sit for the national certification examination for the occupational therapist administered by the National Board for Certification in Occupational Therapy (NBCOT). After successful completion of this exam, the individual will be an Occupational Therapist, Registered (OTR).

In addition, all states require licensure in order to practice; however, state licenses are usually based on the results of the NBCOT Certification Examination.

NBCOT Certification Upon program accreditation and successful curriculum completion the graduates of the program will be eligible to sit for the NBCOT examination to become a practicing occupational therapist. The examination is administered by the National Board for Certification in Occupational Therapy (NBCOT), located at One Bank Street Gaithersburg MD, 20878, NBCOT's phone number is (301) 990- 7979, web address is nbcot.org.

NBCOT Eligibility A felony conviction may affect a graduate's ability to sit for the NBCOT certification examination or attain state licensure. For students with a concern in this area, NBCOT can be contacted directly for information related to the Early Determination and Character Review process for approval to take the NBCOT certification examination.
