- Pack items in reusable containers such as plastic bins, bedding bags, or suitcases. **Label items with student name and room number.**
- Avoid bringing additional large furniture until you have seen and planned out your space.
- **Large cargo vans and U-Hauls are strongly discouraged.**
- Ask questions if you have them! Your Housing and Residence Life staff is available to assist you.

How Do I Move In?

- For ease of traffic, enter campus as indicated on the Move In map on the last page and on our website.
- Staff and volunteers will guide you to a temporary unloading place.
- Once items are removed from the vehicle, move the vehicle to a permanent parking spot. One guest must stay with the car at all times as the vehicle is unloaded.
- Students go to their assigned residence hall to check-in and receive keys.
- *If rain, Niebuhr Hall residents check in at the Frick Center.*
- If you are arriving before Wednesday, August 21 (via the Early Arrival application and process) or after Sunday, August 25, your keys will be available for pick up at Public Safety located in Lehmann Hall (entrance faces Langhorst Feld).
- Have your JayPass and assigned hall and room number handy. Your JayPass or other photo ID is required to check in.
- Remaining guests, student, and Jay Crew members move items from curb to the room.
- Boxes should be broken down and removed to vehicles or to recycling dumpsters.
- Students, join us under the tent on the Mall for dinner, August 21 at 5:00 PM!
