

Name _____

eNumber _____

An overall GPA of 3.20 and a GPA of 2.80 in the 5 natural science courses is required for transfer admission to the Nursing program. One science course may be repeated to remove a W or letter grade with a point value of 2.0 or less. Admission consideration for first-year students follows different guidelines. Please see catalog for details.

Transfer students must complete at least half of the course credits required for this major at Elmhurst University.

EU Course #	EU Course Title	Transfer Institution	Transfer Course #	Course Credit	Grade
