Minimal requirements for Admission

- ≠ A Cumulative GPA of 2.750 for all college coursework is the minimum for application, but not a guarantee of admission
- ≠ A Major GPA as listed in the Catalog with Cs (2.0) or higher in all required education coursework
- ≠ Sophomore status (32 earned semester hours or 8 Elmhurst credits - may be in progress)
- ≠ Successful completion of 3 semester hours in ENG 106 or its equivalent with grades of C or higher (may be in progress)
- ≠ Completed application with one (1) recommendation form, a personal statement, and copies of current transcripts.
- ≠ Evidence of a recent (within one year of application) Illinois State Police criminal background fingerprint check.

Elmhurst University requires criminal history records to be checked to support our school partners, however, the University review does not automatically mean a teacher candidate will be licensed to teach by the Illinois State Board of Education.

An arrest or conviction at any time prior to recommendation for licensure to ISBE must be reported to the Chair of the Department of Education, regardless of whether or not it is time to submit to a full Criminal Background Check.

Article 21-1 of the Illinois School Code requires that all persons who seek teacher licensure must be of good character. As one measure of fulfilling Article 21-1, you must mark each of the following statements as “Yes” or “No.”

Policies and Procedures for Admission to Teacher Education

APPLICATION DATES

Applications may be submitted during the sophomore year while required coursework is in progress.

Applications will be accepted for fall admissions beginning June 15

Applications will be accepted for spring admissions beginning December 15

Admission decisions are made monthly and decision letters will be mailed within 30 days of an admission decision. Admission status information will not be provided in person, over the telephone, or via e-mail.

1. If an applicant meets admission requirements, but space is no longer available in the specific program for the requested term, admission will be offered for the following term in which the program accepts new candidates. Completed applications are reviewed monthly in the order received. An incomplete application will have a receipt date indicating when all required materials were finally received by the School of Education.
2. The *Director of Teacher Education Admissions* will inform applicants in writing of admission decisions. Applicants with minimal qualifications may be denied admission. There is no appeal for applicants who are denied admission based on the quality of their application. An established appeal procedure is available for applicants who feel that their applications were not properly processed.
3. Students may not reapply to any teacher education program once they have been denied admission.
4. Applicants admitted to a teacher education program may not request a change to another program, instead a full application must be made to a different program. Field hours completed for a previous program may not be credited toward the new program. Changing programs could delay program completion.
5. Admission to a teacher education program does not guarantee admission to student teaching. All teacher candidates must meet requirements for remaining in a teacher education program and must apply for student teaching. Review of teacher candidates is on-going. Candidates who are removed from a teacher education program or not admitted to student teaching have the right to appeal the decision to the University's *Teacher Education Committee*.
