12 MONTHS TO DEGREE COMPLETION

With flexible course formats and multiple start dates to choose from, the Elmhurst MBA is designed to fit your busy schedule.

Course Sequence

You'll complete 10 courses. Most courses are eight or 16 weeks in length. Courses typically meet one night per week.

MBA 500	Organizational Management
MBA 501	Financial and Managerial Accounting
MBA 502	Analytical Tools for Management Decisions
MBA 503	Marketing Management
MBA 504	Financial Management
MBA 505	Strategies for Creating a Competitive Advantage
MBA 509	Project Management
MBA 520	Global Business Management
MBA 550	Cultural Diversity in Organizations
MBA 558	Leading Change Management

The full-time MBA program is flexible. Above is an example of 10 possible courses. Electives can be targeted to reach your career goals.

Admission Requirements

The program is suited to students from many different educational backgrounds, including recent graduates. There are several business course prerequisites. You must have:

- A bachelor's degree from a regionally accredited U.S. institution or foreign equivalent.
- Courses in financial accounting, managerial accounting and business finance (Requirement for all three courses can be satisfied by taking MBA Prep 300, an eight-week online, asynchronous course. This course is offered multiple times per year).
- Additional application materials: Letters of Recommendation, Statement of Purpose, Résumé, Official Transcripts, Proof of English Proficiency (if applicable).

This is an accelerated full-time program, so full-time employment is not recommended and must be approved by the MBA program director.

Do Well.

<24 MONTHS TO DEGREE COMPLETION

With part-time and evening courses, and multiple start dates, Elmhurst's MBA is designed with the busy professional in mind.

Core MBA Courses

MBA students combine these six core courses with four electives in their specialization. Courses typically meet one night per week.

MBA 500	Organizational Management
MBA 501	Financial and Managerial Accounting
MBA 502	Analytical Tools for Management Decisions
MBA 503	Marketing Management
MBA 504	Financial Management
MBA 505	Strategies for Creating a Competitive Advantage

Elmhurst University reserves the right to modify courses, schedules and program format without advance notice to students.

Your Unique Offer: Areas of Specialization

In addition to our core MBA course requirements, you'll choose one of the areas below as your specialization and create your own competitive advantage by choosing elective courses in the following fields:

- Computer Information Technology
- Data Science and Analytics
- Finance
- General Management
- Management of People
- Managerial Leadership
- Marketing and Consumer Insights
- Project Management
- Public Health
- Supply Chain Management

Admission Requirements

- A bachelor's degree from a regionally accredited U.S. institution or foreign equivalent.
- Three years of professional or military experience preferred.
- Courses in financial accounting, managerial accounting and business finance (Requirement for all three courses can be satisfied by taking MBA Prep 300, an eight-week online, asynchronous course. This course is offered several times per year).
- Additional application materials: Letters of Recommendation, Statement of Purpose, Résumé, Official Transcripts, Proof of English Proficiency (if applicable).

“

My experience at Elmhurst has been one for the books – pun intended! I have fostered a community that will thrive much after my tenure as a student here ends. I am proud to have chosen Elmhurst, and would do it again.”

Marvin Malone, MBA '23
