

2026-27 Verification Worksheet

Federal Student Aid Programs

VI, V5

Your 2026-27 Free Application for Federal Student Aid (FAFSA) has been selected for a process called verification. Federal regulations require that before your Federal Student Aid may be processed, you need to confirm information you, your spouse (if married), and/or your parent(s) reported on your FAFSA.

You (and one parent of a dependent student) must complete and sign this worksheet, attach any required documents, and submit them to the Office of Student Financial Services at Elmhurst University. All estimated financial aid awards are subject to revision or cancellation if the verification process results in necessary changes to the information provided on your FAFSA. The Office of Student Financial Services will not be responsible for late fees incurred due to documents not submitted in a timely manner. Please contact the office at 630-617-3015 with any questions you have regarding the verification process.
