

# 2026-27 Verification Worksheet

## Verification of Identity

V4, V5

Your 2026-27 Free Application for Federal Student Aid (FAFSA) has been selected for review in a process called verification. The law states that before awarding Federal Student Aid, Elmhurst University may ask you to confirm the information you, your spouse (if married) and your parents reported on your FAFSA. To verify that you provided correct information, Elmhurst University will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. Attach any required documents, and submit this form and the documents to the Office of Student Financial Services at Elmhurst University. If you have questions about verification, please call 630-617-3015 as soon as possible so that your financial aid will not be delayed.

This completed form **MUST** be received by the Office of Student Financial Services within three weeks of receiving this notice. Failure to provide the requested information within three weeks may cause a delay in the completion of your financial aid award and a reduction or loss of specific financial aid awards. The Office of Student Financial Services cannot guarantee a timely turn-around for any information received after July 1.
