\*Data as reported to IPEDS Institutional Characteristics

\*\*Calculated

\*\*\*The increase in on-campus room and board in 24-25 is due to the updated federal requirements in reporting housing and food (formerly room and board) in the cost of attendance. We had previously just used the standard double room rate and the middle meal plan rates for this figure. But now we are required to use a calculated average of all students with on campus housing and meal plans
