

POST-GRADUATION OUTCOMES

Elmhurst University is committed to equipping students with the timeless knowledge and skills that they will need for enduring success. Resources like the Russell G. Weigand Career Center for Professional Excellence (WCCPE) have a big impact on their post-graduation success.

Class of 2025 Outcomes

88%

of graduates went on to join the workforce, enter military service or continue their education in the six months following graduation.

90%

of students completed an internship, field placement or clinical placement prior to graduation.

Elmhurst 2025 graduates are working at top Chicago-area companies and organizations, including Northwestern Medicine, Accenture, Merrill Lynch, AbbVie, Lurie Children's Hospital, 3M, ADP, Walgreens and others. They are furthering their education at top universities throughout the Midwest and beyond.
