

Rosary College Prep

Two teaching opportunities 2026-2027 school year:

We are currently seeking a full-time Biology Teacher and a full-time Spanish Teacher.

Rosary College Prep is an all-girls Catholic college preparatory high school in Aurora, Illinois, sponsored by the Dominican Sisters of Springfield.

We are dedicated to educating young women in a community rooted in faith, academic excellence, leadership, and service.

As we continue to grow and strengthen our academic programs, we are looking for talented educators who are passionate about working with students and contributing to a mission-driven school community.

If you know of any recent graduates, alumni, former colleagues, or other qualified candidates who may be interested, I would be grateful if you would share these opportunities with them.

Interested candidates should email a cover letter and resume to
