

The annual Elmhurst High School Concert Band Festival will be held on Friday, March 5, 2027 in Hammerschmidt. The festival provides high school concert band ensembles the opportunity to perform in historic Hammerschmidt Chapel, while being provided adjudication/feedback from high level national and local music educators, including a 20 minute on-stage clinic with one of the adjudicators. More information including adjudications, ensemble registration, etc. will be available later this fall.

Questions? Contact Dr. Adam Kehl, adam.kehl@elmhurst.edu.
